

Attention all secretaries, recorders and presiding officers;

It is my pleasure to announce an exciting upcoming event which will take place September 1st, 2019, As the incoming Grand Commander, Knights Templar of Michigan I am hosting this event and offer my most sincere invitation for all Masonic Bodies to join us. We will meet at approximated 2 Pm, and spend the afternoon greeting Veterans and Visitors providing some fellowship and welcome gifts. Then at approximately 4:30 (or the scheduled retreat time) we will gather as a group to attend the Retreat ceremony, Thus Honoring the fallen. I request that all Knight Templars who have summer uniforms wear them, including swords and all other masonic bodies wear some comfortable masonic attire along with masonic aprons. (like you would for a parade), Eastern Star sisters and youth groups are also welcome and attire is as directed from your presiding grand bodies for parades or public events. We as the masonic family should never forget the freedom we have to participate in our fraternity is largely a part of the sacrifices of our veterans. Below is a flyer you may detach to put on display.
